

## My Page:

As a registered user you may submit new journals for possible inclusion in the database. You can also check the status of your submissions. Submissions may be edited up until the time when NSD processes them.

Update profile with valid email address to receive information regarding your submissions. If you additionally fill in country and position then we will be able to make better user statistics which helps us make a better service for you.

Update password. See also an overview of site features.
